

GARDENS OF MALLORCA

Enjoy an island with 300 days of sunshine

1. DAY Arrival

On arrival we are met by our local coach and transfer to hotel. A welcome drink and dinner is served in the evening.

2. DAY Palma

After breakfast we tour Palma, with visits to the former royal residence Palacio de la Almudaina and the next Hort del Rei, as well as the 10th century Arab Baths, the very only one remains of the Arab city of Medina Mayurqua. We continue to the Cathedral, 2nd tallest Gothic cathedral in Europe, containing a great collection of fine works of art. We will top our visit at the Castell de Belver, a fortified Gothic castle holding now the city's museum. Lunch is included in a local restaurant. Dinner and overnight.

3. DAY Alcudia and Pollensa

Today we will visit the lovely city of Pollensa, very well known for its legendary battle in the summer. We will continue with Alcudia, the old Capital with Old Town and Walls. Lunch in Alcudia. Dinner and overnight.

4. DAY Jardines de Alfabia & Son Marroig - Port de Soller - Historical train

After breakfast today we visit the Alfabia Gardens, in the Tramuntana Mountains, which have a series of extraordinarily beautiful Renaissance and Baroque features. Some examples are the cistern covered by a half-barrel vault, which affords a good vantage point for viewing this extensive landscaped area, and the large pergola with giochi d'acqua in classic Renaissance style which has a small lake with water plants. Lunch is included in Bunyola today. We will continue to the garden of Son Marroig, very near the rock formation of "NA Foradada". After lunch in Port Soller, we will head towards Sóller and board its historical train to Palma. This railway also stands out for a special attractive route along the Sierra de Alfàbia mountain range. We return to the hotel. Dinner and overnight.

5. DAY Raixa Gardens & Real Cartuja de Valldemosa

After breakfast we depart for a visit of the gardens of Raixa, at Bunyola, near Soller. The monumental villa of Raixa, along with its magnificent gardens, is the result of the neoclassical refurbishing done at the turn of the 18th century by Cardinal Despuig, one of the key figures in the Majorcan Enlightenment. The building is surrounded by gardens accessed through a grand terrace with a crenelated tower from 1898. The lower gardens run along the façade of the loggia, with a central water fountain and the orange garden off it. Our next stop is the monastery of Real Cartuja de Valldemosa and its Gardens to visit the old palace of a king, dating back to 1309; a beautiful church with frescos of Bayeu, the brother in law of Goya; a beautiful long white-arched corridor leading to different cells that the monks inhabited for 400 years to find peace and rest; beautiful gardens and terraces with some of the most astonishing views to the valley. Lunch included in Bunyola. Dinner and overnight.

6. DAY Departure
